Education

George Mason University, Honors College

Falls Church, VA

- Bachelor of Science in Computer Science Graduation Expected in May 2021
- Dean's List Fall 17' – Present - GPA: 3.69
- Relevant Courses - Data Structures, Object Oriented in Java, Python, C, Linear Algebra, Discrete Math

Experience

Mentor

Fairfax, VA

PatriotHacks Hackathon/iOS workshop

October 18' – October 18'

- Mentored 250+ students and ran a workshop for iOS app development.
- Assisted students and taught them several programs/technologies such as Python, Java, API implementation from sponsors, debugging, HTML/CSS, and basic machine learning concepts.

Software Development Club, George Mason University

Fairfax, VA

Co-Founder/Developer

August '18 - Present

- Helping over 35 students grow a passion for software development. Learning new technologies by working on projects and attending hackathons. – <https://sdcgmu.org>

Activities and Projects

Remedify (Node.js/Express)

RamHacks Hackathon

Developer

September 2018 – October 2018

- Remedify is a REST API that provides natural remedy solutions for common illnesses.
- Data was acquired through a python web crawler made with the Beautiful Soup library and was accompanied by an iOS app to display the implementation of the API on a sample project.

Cipher Texts (Python)

Independent Project

Developer

March 2018 – Present

- Cipher Texts is a program that receives the user's desired encoded text and encrypts their information with the choice of a Vigenere, Caesar, or Rail Cipher.

X-Spend (Swift)

HackUVA Hackathon

iOS Mobile Developer

March 2018 – April 2018

- X-Spend is a financial app created to keep track of expenses while sharing spending habits with both the user and friends or family members.

Dr. Alexa (Node.js)

Independent Project

Developer

September 2018 - Present

- Created an Alexa skill to identify basic illnesses depending on the person's symptoms.
- Implemented AWS Lambda functions and a web crawler that was created with Python which incorporated the Beautiful Soup library to find natural remedies online.
